record to be made thereof, and their decision shall be final as to the plan and location appealed from. If the requirements of the commissioners of inland fisheries and game are affirmed, the appellants shall be liable for the costs arising after the appeal, otherwise they shall be paid by the county. If a fishway thus required is not completed to the satisfaction of the commissioners of inland fisheries and game within the time specified, every owner or occupant shall forfeit not more than one hundred, nor less than twenty dollars for every day of such neglect between the first days of May and November. On the completion of a fishway to the satisfaction of the commissioners of inland fisheries and game, or at any subsequent time, they shall prescribe in writing the time during which the same shall be kept open and free from obstruction to the passage of fish each year, and a copy of such writing shall be served on the owner or occupant of the dam.

The commissioners of inland fisheries and game may change the time as they see fit. Unless otherwise provided, fishways shall be kept open and unobstructed from the first day of May to the fifteenth day of July. **The penalty for neglecting to comply with this section, or with any regulations made in accordance herewith, is not less than twenty, or more than one hundred dollars for every day of such neglect.**

Section 18. Whenever the commissioners of inland fisheries and game find a fishway out of repair or needing alterations, they may, as in the case of new fishways, require the owner or occupant to make such repairs or alterations; and all proceedings in such cases and the penalty for neglect shall be as provided in the preceding section without appeal. If the dam is owned and occupied by more than the one person, each is liable for the cost of

erecting and maintaining such fishway, in proportion to his interest in the dam, and if any owner or occupant neglects or refuses to join with the others in erecting or maintaining such fishway, the other owners or occupants shall erect or repair the same, and have an action on the case against such delinquent for his share of the expenses. If the owner or occupant of such dam resides out of the state, said penalties may be recovered by a libel against the dam and land on which it stands, filed in the supreme judicial court in the county where it is located, in the name of the commissioners of inland fisheries and game or of any inland fish and game wardens who shall give to such owner or occupant, and all persons interested therein, such notice as the court or any justice thereof in vacation orders, and the court may render judgment therein, against said dam and lands for said penalties and costs, and order a sale thereof to satisfy such judgment and costs of sale, subject, however, to all said requirements for the erection and maintenance or repair of said fishway. The commissioners of inland fisheries and game may delegate to any inland fish and game warden or other lawful officer of inland fisheries and game any of the powers given to said commissioners in relation to the construction of fishways.

Any person legally engaged in the artificial culture and maintenance of fishes, may take them in his own enclosed waters wherein the same are so cultivated and maintained, as and when he pleases, and may at all times sell, ship or transport them from his own pools or ponds, without accompanying the shipment, having first procured a license therefor and tagged the same in accordance with rules and regulations established by the commissioners of inland fisheries and game.

Sheriffs, deputy sheriffs, police officers and constables are vested with the powers of inland fish and game wardens, and shall receive for their services the same fees.

### **DEPUTY WARDENS.**

Section 67. The commissioners of inland fisheries and game may appoint inland fish and game deputy wardens and may revoke such appointments at any time. The appointment and discharge of such deputy wardens shall be in writing, and they shall have the same powers and be subject to the same laws, as inland fish and game wardens appointed by the governor and council. All such appointments shall terminate with the calendar year in which the appointment is made.

### **SEIZURE OF FISH, GAME AND BIRDS.**

All birds, fish, game or other protected wild animals, hunted, caught, killed, destroyed, bought, sold, carried, transported, or found in possession of any person or corporation, in violation of any of the provisions of this chapter, shall be liable to seizure; and in case of conviction for such violation, the same shall be forfeited to the state, to be sold for the benefit of the state. Any person whose fish, game, or birds has been seized for violation of any game or fish law, shall have it returned to him on giving to the officer a bond with sufficient sureties, residents of the state, in double the amount of the fine for such violation, on condition that, if

convicted of such violation, he will, within thirty days thereafter, pay such fine and costs. If he neglects or refuses to give such bond and take the game, fish or birds so seized, he shall have no action against the officer for such seizure or for the loss of the game or fish seized.

### SEARCH AND SEIZURE.

Section 69. The commissioners of inland fisheries and game and every inland fish and game warden may arrest, with or without a warrant, any person whom he has reason to believe guilty of a violation thereof, and with or without a warrant may open, enter and examine all buildings, camps, vessels, boats, wagons, cars, stages, tents, and other receptacles and places, and examine all boxes, barrels and packages where he has reason to believe that game, fish or game birds or protected wild animals, or parts thereof, taken or held in violation of this chapter are to be found, and seize such game, fish, or game birds or wild animals, or parts thereof, if any be found therein, but no dwelling-house shall be searched for the above purposes without a warrant and then only in the day time, and no sealed railroad car shall be entered for the above purposes without such warrant. Any magistrate may issue warrants to search, within his jurisdiction, any dwelling-house, in the day time, or any other place at any time, for the purposes above set forth, to any inland fish and game commissioner or to any inland fish or game warden, sheriff or any of his deputies; such warrant shall be issued subject to the requirements of section thirteen of chapter one hundred and thirty-three of the revised statutes; provided, however, that the inland fish and game commissioners shall, on or before October first of each year, in writing, notify the superintendents of all trans-

portation companies doing business within the state of the names of the inland fish and game wardens by them designated to exercise the right of search of railroad cars as herein provided, which number shall not exceed four for any one transportation company, and no others shall, except those so designated, be authorized to exercise the powers herein mentioned as to search of railroad cars.

Any officer authorized to enforce the inland fish and game laws may, without process, arrest any violator of any of said laws, and shall with reasonable diligence, cause him to be taken before any trial justice or any municipal or police court, in the county where the offense was committed, or in any adjoining county, for a warrant and trial. Jurisdiction in such cases is hereby granted to all trial justices and all other courts to be exercised in the same manner as if the offense had been committed in that county; and any officer who shall maliciously, or without probable cause, abuse his power in such proceedings shall upon conviction pay a fine not exceeding one hundred dollars and costs, or imprisonment not exceeding three months.

Section 71. Trial justices, police and municipal courts within their counties shall have, upon complaint, original and concurrent jurisdiction with the supreme judicial and superior courts in all prosecutions under any inland fish and game law.

### **FINES AND PENALTIES—COLLECTION AND DISPOSITION OF.**

Any officer or other person who shall receive any fine or penalty or any part thereof, for the violation of any inland fish or game law, and shall neglect for more than thirty days to pay the same to the commissioners of inland fisheries and game, as herein provided, shall pay a fine of not less than fifty nor more than one hundred dollars and costs of prosecution.

### **SERVICE OF WARRANTS ON CORPORATION.**

Section 73. In case of a violation of any of the provisions of this chapter by a corporation, the warrant may be served by an attested copy on the president, secretary, manager, or any general agent thereof in the county where the action is pending, and upon return of such warrant so served, the corporation shall be deemed in court and subject to the jurisdiction thereof, and any fine imposed may be collected by execution against the property of such corporation; but this section shall not be deemed to exempt any agent or employee from prosecution.

### **LICENSES, CERTIFICATES AND PERMITS MAY BE CANCELLED.**

Section 74. If the holder of any license, certificate, or permit, issued in conformity with any of the provisions of this chapter, shall flagrantly or knowingly violate or countenance the violation of any of the provisions of this chapter, such license, certificate or permit may be revoked by the commissioners of inland fisheries and game after due notice given of the alleged violation, and an opportunity

afforded to appear and show cause against the same.

### **DUTIES OF COUNTY ATTORNEYS.**

Section 75. Each county attorney shall prosecute all violations of this chapter occurring within his county, when such cases may come to his knowledge, or when he may be so requested by the commissioners of inland fisheries and game or any officer charged with its enforcement, such prosecution shall at all times be subject to the supervision and control of the commissioners.

### **PARTICIPANT IN VIOLATION MUST TESTIFY.**

Section 76. In any prosecution under this chapter, any participant in a violation thereof, when so requested by the county attorney, commissioners of inland fisheries and game or other officer instituting the prosecution, may be compelled to testify as a witness against any other person charged with violating the same, but his evidence so given shall not be used against himself in any prosecution for such violation.

### **SEIZURES AND PROSECUTIONS MUST BE REPORTED.**

Section 77. Every magistrate or the clerk of the court before whom any prosecution under this chapter is commenced, or shall go on appeal, within twenty days after the trial or dismissal thereof shall report in writing the result thereof and the amount of fines collected, if any, and the disposition thereof to the commissioners of inland fisheries and game at Augusta.

Section 78. In all cases, the officer making the seizure or sale of fish, game or birds, shall within ten days thereafter, report all the particulars thereof

and an itemized statement of the proceeds, expenses and fees, and the disposition thereof to the commissioners of inland fisheries and game at Augusta. The failure of any person or officer to perform any act, duty, or obligation enjoined upon him by this chapter, shall be deemed a violation thereof.

## **CITIES, TOWNS AND PLANTATIONS MAY ELECT INLAND FISH AND GAME WARDENS.**

Section 79. Any city, town or plantation in which there is a lake or a pond that has been stocked with fish by the state and screened partly by the state and partly by the town or by private subscription, may, at its annual election, elect an inland fish and game warden, with all the powers of other inland fish and game wardens, whose duty it shall be to care for and protect said screen.

### **POISONING OF ANIMALS PROHIBITED.**

### **FISH AND GAME WARDENS, FIRE WARDENS.**

Chapter 108 of the public laws of 1891:

Fish and game wardens are hereby made state fire wardens, and it shall be their duty while in and about the woods, to caution all sportsmen of the danger from fires in the woods, and to extinguish all fires left burning by anyone, if within their power; and to give notice to any and all parties interested when possible, of fires raging and beyond their control, to the end that the same may be controlled and extinguished.

Section 1. Whenever during an open season for the hunting of any kind of game or game birds in this state, it shall appear to the governor that by reason of drought having in possession firearms in the forests is liable to cause forest fires, he may, by proclamation suspend the open season and make it a close season for such time as he may designate.

Section 2. During the time which shall by such proclamation be made a close season, all provisions of law covering and relating to the close season

shall be in force, and a person violating a provision of the same shall be subject to the penalty therein prescribed. In case any person shall enter upon the wild lands of the state carrying or having in their possession any firearms, or any person shall shoot during the close season fixed by proclamation of the governor, as provided in the preceding section, any wild animal or bird for the hunting of which there is no close season otherwise provided by law, he shall be punished by a fine of one hundred dollars and costs.

## FEDERAL LAWS.

### The Lacey Act.

For the information of shippers dealers and others we submit herewith Sections 2, 3 and 4 of the Lacey Act, so-called, originally approved by Congress in 1900, and amended in 1911:

Sections 241 to 244 of the Criminal Code (35 Stat., 1137), which are Sections 2, 3 and 4 of the Lacey Act, are as follows:

"Section 241. The importation into the United States, or any territory or District thereof, of the mongoose, the so-called "flying foxes" or fruit bats, the English sparrow, the starling, and such other birds and animals as the Secretary of Agriculture may from time to time declare to be injurious to the interests of agriculture or horticulture, is hereby prohibited; and all such birds and animals shall, upon arrival at any port of the United States, be destroyed or returned at the expense of the owner. No person shall import into the United States or into any Territory or District thereof, any foreign wild animal or bird, except under special permit from the Secretary of Agriculture: Provided, That nothing in this section shall restrict the importation of natural history specimens for museums or scientific collections, or of certain cage birds, such as domesticated canaries, parrots, or such other birds as the Secretary of Agriculture may designate. The Secretary of the Treasury is hereby authorized to make regulations for carrying into effect the provisions of this section.

"Section 242. It shall be unlawful for any person to deliver to any common carrier for transportation, or for any common carrier to transport from any State, Territory, or District of the United States, to any other State, Territory, or District thereof, any foreign animals or birds, the importation of which is prohibited, or the dead bodies or parts thereof of any wild animals or birds, where such animals or birds have been killed or shipped in violation of the laws of the State, Territory, or District in which the same were killed, or from which they were shipped: Provided, That nothing herein shall prevent the transportation of any dead birds or animals killed during the season when the same may

be lawfully captured and the export of which is not prohibited by law in the State, Territory, or District in which the same are captured or killed: Provided further, That nothing herein shall prevent the importation, transportation, or sale of birds or bird plumage manufactured from the feathers of barnyard fowls.

"Section 243. All packages containing the dead bodies, or the plumage, or parts thereof, of game animals, or game or other wild birds, when shipped in interstate or foreign commerce, shall be plainly and clearly marked, so that the name and address of the shipper, and the nature of the contents, may be readily ascertained on an inspection of the outside of such package.

"Section 244. For each evasion or violation of any provision of the three sections last preceding, the shipper shall be fined not more than two hundred dollars; the consignee knowingly receiving such articles so shipped and transported in violation of said sections shall be fined not more than two hundred dollars; and the carrier knowingly carrying or transporting the same in violation of said sections shall be fined not more than two hundred dollars."

## FEDERAL REGULATIONS ON MIGRATORY BIRDS.

The Legislature of 1915 amended the game bird laws so that now, with the exception of the woodcock law in the counties of Aroostook, Washington, Hancock, Penobscot, Piscataquis, Somerset, Franklin and Oxford, the State law conforms to the Federal Regulations on Migratory Birds.

Inasmuch as under the Federal Regulations open season on woodcock does not begin until October 1st, hunting of woodcock in the counties above named will be illegal until that date, notwithstanding open season in those counties under the State law begins on Sept. 15th.

Furthermore, inasmuch as the season on these birds in these counties under the State law **ends earlier** than under the Federal Regulations, the State law governs the close of the season.

Therefore, **OPEN SEASON** on woodcock in the counties of Aroostook, Washington, Hancock, Penobscot, Piscataquis, Somerset, Franklin and Oxford, is from Oct. 1 to Nov. 14th inc., while in the eight remaining counties it is from Oct. 1 to Nov. 30th inc.

(See State law on woodcock and other game birds, page 60.)
